Career Support Systems (CSS) offers Life Skills and Independent Living Skills training. Independent living skills consist of case management, medication management, meal preparation, financial management, housekeeping duties, personal grooming, shopping, use of public transportation and community integration.

Provides independence and self-sufficiency by delivering an array of community-based employment supports.

There are several locations throughout the state that cover the majority of the State. Call the office for more information. CSS is an approved vendor for the Virginia Department for Aging and Rehabilitative Services (DARS).
