This is the administrative office.

The Workforce Investment Board offers Workforce Centers: adult and dislocated workers have access to resource rooms and materials necessary in aiding them in career exploration and job search efforts. Case management is available for those who enroll in training and job placement service.

Older Worker: Opportunities for senior citizens age 55 and older; subsidized and unsubsidized; placed in public or private agencies for a minimum of 20 hours per week. If an individual is looking for permanent employment, they are encouraged and assisted in this direction.

Youth: offers youth age 14 through 21 work experience, mentoring, tutoring, leadership skills and career and academic counseling.
