enCircle offers home based counseling. Staff can help children and families build the skills that create strong and resilient families by using a dynamic, strength based treatment model. Services can include parent education, life skills, conflict resolution and anger management. We also help coordinate community resources to help the child and family achieve their treatment goals.

Intensive In Home Services provides intensive individual and family counseling, life skills activities, crisis intervention, behavior management and case management.

Please call the office for more information and a location.
