The Charlottesville Cardinals offer wheelchair basketball to local athletes in the Charlottesville area. Goal is to provide athletes with disabilities an opportunity to exercise, participate in competitive recreation and to education the general public

about capabilities of individuals with disabilities. The Cardinals perform numerous demonstrations at schools, churches, and community events to educate the general public concerning the abilities of people with disabilities.

The Cardinals' line-up includes men and women, young and old. The youngest current player is 19, and the oldest is 82. The Charlottesville Cardinals compete in the Capitol Conference of the National Wheelchair Basketball Association.
