The Game and Inland Fisheries provides persons with disabilities a special Lifetime Hunting and Fresh Water Fishing license for \$15.00 each; Saltwater fishing for \$10.00; Trapping for \$15.00. Additional licenses are required for archery, crossbow, muzzleloader, bonus deer permit, trout license, etc. Visit the website for further information. A statement describing disability qualifications is required to be submitted with application.

You can find [Accessible Fishing and Boating](#) sites on the website page either by location or body of water.

The information provided includes whether the site has boat access, boat pier, fishing pier, fishing platform, and restroom.

Volunteers help make programs like Casting for Recovery and Project Healing Waters successful in therapeutic recreation and recovery for wounded military service members and outdoor enthusiasts battling cancer.

Call for more information about therapeutic recreation programs.

Visit [VANWTF Wheelin Sportsmen](#) to find more hunting opportunities.

Call for information about annual bear, deer, and turkey licenses.
