Fee Structure

No Fee

Languages Spoken

English

The Tri-County Community Action's Weatherization Assistance program provides funds to reduce the heating and cooling costs for low-income families, and to ensure their health and safety. Priority is given to the elderly, individuals with disabilities, and families with children.

The program provides direct installation of energy-saving measures such as: sealing air-leaks with insulation, caulking, and weather-stripping; repairing leaky duct systems; repairing and/or replacing inefficient or unsafe heating systems; and installing carbon monoxide and smoke detectors.
