Respite care is provided by Berry Hill Nursing Home to give caregivers a break, as long as space is available. Temporary care can be used for as little as 3 days or as long as a month. Staff will work with the caregiver to design a respite stay that fits your needs. Respite offers your loved one a safe environment as well as a place to socialize and make new friends. Nurses are available 24 hours a day.

Service Area(s)

Halifax County
