Healing Hands Health Center is a Community Health Center, a Christian Ministry that provides Dental Care to individuals who qualify according to geographic, employment, and financial guidelines. Please call for information about what services are provided by the volunteer dentists.

To be eligible, everyone must go through an application process to prove where they live, low-income status, uninsured, and proof of low income of total household income. If an individual does not qualify, referrals are made.

Routine dental care is provided for adult recipients who have TeamCare or Medicare since these services are not covered under these programs.
