Lynne N. Clark, PC is a legal practice with emphasis on planning for a family member with special needs.

A Special Needs Trust is developed to manage resources for a person with a disability (physical or mental), while maintaining the individual's eligibility for public assistance benefits. The family leaves whatever resources it deems appropriate to the trust and the trust is managed by a trustee on behalf of the person with the disability.

benefit programs can guide you on whether to begin the trust now or wait.
