Dermatology is a branch of medicine that deals with the diagnosis and treatment of disorders of the skin, hair, and nails. Tidewater Skin Care offers a wide range of Dermatological services including general dermatology for adults and adolescents. Dermatologists also specialize in screening and treatment of skin cancers. Tidewater Skin Care specializes in the treatment of sun-damaged skin and offers treatment modalities such as cryosurgery and Moh's Surgery or Mohs Micrographic Surgery, a method which has shown to achieve complete control when removing skin cancers.
