Meadow Glen offers respite care to give primary caregivers a much-needed break. Short-term stay residents enjoy the same services and amenities as permanent residents in a fully furnished, private suite.

Short-term stays are based on space availability. All short-term stay residents must meet the admissions criteria for Assisted Living. A minimum stay of two weeks is

required, and the length of stay should not exceed two months. (Exceptions may be made in certain circumstances with permission of the Executive Director.)

Respite residents have the option of remaining at Meadow Glen permanently following their short-term stay.
