Rappahannock Area Community Services Board's (RACSB) Myers Drive Respite Group Home provides respite services for up to six individuals with developmental disabilities.

Guests are supported to learn new skills and experience independence while caregivers benefit from a rest from care responsibilities or tend to other obligations or commitment. Stays may last from a few hours to 15 days. The home offers social events, outings and leisure activities.

Prior to the first stay, families are to tour the home and help staff get to know the likes and dislikes of their loved ones. This advance preparation will help ensure a smooth initial visit as well as return stays. Guests do not need to be open to RACSB services, but they should have case management through some organization, as this helps with the pre-screening and admissions process.

Emergency services are offered 24 hours per day, 365 days per year by calling:
