Event Description

PADRECC Support group meets monthly on the 4th Thursday of each month from 1 pm until 3 pm, at Hunter Holmes McGuire Medical Center, 1201 Broad Rock Blvd, Room 2K - 113/115, Richmond VA 23249. Within the Hunter Holmes McGuire Veterans Affairs Medical Center is the Parkinson's Disease Research, Education and Clinical Center. PADRECC provides comprehensive services to veterans with PD and opens the support group to the public. The meetings consist of a guest speaker, separate discussion among people with PD and caregivers and a short business meeting and social. Contact: Lynn Klanchar, RN, MS PADRECC Associate Director of Education at (804) 675-6952 or lynn.klanchar@va.gov. December date is held early, the 6th, due to holidays.
