Event Description

The Brain Injury Recovery Group will meet 6:30-8:00pm on the third Thursday of the month. Come join us for a discussion of anything you'd like to talk about related to brain injury or life after brain injury. Whether you are in the phase of looking for answers or have some experiences of what has worked for you or how far you have come you'd like to share, we can all benefit from sharing each others experience and insights. (please let me know if there is a speaker you would like us to present or a topic you would like us to address - thanks!) For details about the monthly meeting or more information, email or call TBI@mindspring.com/540-650-1969 or call Betty Friant at 540-550-1784
