

How to Bounce Back [Aging Well with a Physical Disability Factsheet Series]

The University of Washington's Healthy Aging RRTC (Rehabilitation Research and Training Center) has developed an evidence-based Factsheet Series on a variety of topics related to aging well with a physical disability.

[How to Bounce Back](#) explores how to build resilience to cope with the stresses of aging with a disability, and focuses on how people cope with disabilities as they age; the factors that make people resilient; and tips for building resilience.
