Event Description

DSAGR sponsors an education seminar of "Analysis of an IEP" from educational consultant Courtney Pugh; the owner of 4 PEAKS Educational Consulting, LLC. Individualized Education Programs (IEPs) are the driving force of a child's special education services. Attendees will leave with an understanding that the parts of the IEP as well as the documents that support it build upon each other to create a program as individualized as the child is. Nursery and childcare activity, Healing Sounds, is provided if you RSVP. Dinner will be provided from 6-7 pm, then the presentation will run from 7-8:30 pm.
