Event Description

Camp Jordan is a sleepover camp experience for kids with diabetes who are entering grades 6-12. Traditional camp activities allow participants the opportunity to forge friendships with others who understand the challenges of having diabetes. The campers are supervised by caring counselors and there are experienced medical professionals on site 24/7.

The 2019 Camp will be July 7 through 13th. Registration will be open in February. Call 804-779-2811 for more information.
