Event Description

Take Back the Night, National Prescription Drug, Saturday, April 27, 2019 10am until 2pm, This event addresses a crucial public safety and health issue. 6 Million Americans misused controlled prescription drugs and the majority were obtained from family or friends, often from the home medicine cabinet. This day is an opportunity to prevent drug addiction and overdose deaths. Visit the website to find a location near you. If you do not find a collection site near you, please check back or call your local Sheriff or Policy department.
