Event Description

The ABLE National Resource Center is hosting a webinar on ABLEtoSAVE for Lifelong Financial Wellness Webinar on Thursday, April 25, 2024 from 2 pm to 3pm. Learn about the benefits of ABLE Accounts and how they support financial wellness at every life stage.

This engaging event will highlight four ABLE NRC Ambassadors, each representing different life stages: preteen, transition, work, and retirement. They will share their strategic use of ABLE accounts to create a better economic future for themselves or their family members. It is never too early or too late to open an ABLE account!

## **Webinar Highlights:**

- Real Life Stories, Financial Triumphs: Hear the diverse panelists' life stories and how they use ABLE accounts to achieve lifelong financial security.
- A Holistic Approach to Finance: Learn how an ABLE account is a flexible, lifelong financial tool capable of addressing unique needs and challenges at each life stage.

Real-time captioning and ASL will be available for this webinar. For accommodation requests or registration queries, contact Cheyenne Rivers at [crivers@ndi-inc.org](mailto:crivers@ndi-inc.org).

We will accept questions in advance, email [info@ablenrc.org](mailto:info@ablenrc.org), and add "Webinar question" in the subject line. We will do our best to answer these during the webinar or respond by email.

**This webinar will be streamed live on Facebook Live via our Facebook page on April 25th from 2-3 pm at <https://www.facebook.com/theABLENRC/>**
