Scottish Country Dancing (SCD) is the traditional ballroom dancing of Scotland and is vigorous exercise, as well as a great way to meet new friends.

Members of this group meet to learn and dance what has been called "the grandfather of American square dance." The group performs on occasion, but its main purpose is to provide a social and creative outlet for its participants. All persons are welcome. Beginner classes are held. Call for the day and time.

The classes are on Tuesday nights from 7:00 pm until 9:00 pm at The Dance Space. Located on the second floor of a shopping center on Broad Street. Halfway between Horsepen Road and Libbie Avenue on the North side of Broad. The studio is above the Mekong Restaurant with the entrance being on the right side.
