

Local Emergency Management Offices in Virginia

Your local emergency manager can assist you with creating your disaster plan and answer your questions about disaster preparedness in your area, such as:

- What is my community's emergency response plan?
- Where are the closest evacuation shelters?
- Does my community have an emergency warning system?
- What about transportation for those who don't drive or who don't have access to private transportation?

For the most up-to-date information on the emergency manager that serves your area, follow the link to a [Directory of Local Emergency Managers](#). Select the name of your locality.
