The Freedom of Information Clearinghouse is a project of Public Citizen and Ralph Nader's Center for Study of Responsive Law. The Clearinghouse provides technical

and legal assistance to individuals, public interest groups, and the media who seek access to information held by government agencies.

Freedom Clearinghouse has a mission to furnish tools to those advocates so that they can succeed in their mission, and to communicate to states and advocates information about the best methods for delivering services at home. Division of Public Citizen.

We provide technical and legal assistance to individuals, public interest groups, and the media who seek access to information held by government agencies. Bus Line: Metrobus.
