Cochlear Implant Awareness Foundation is a nonprofit organization whose mission is to provide information, resources, and support to prospective cochlear implant recipients, their families, professionals, and other individuals interested in cochlear implants.

The Foundation may have information about local support groups for adults and children who have cochlear implants, or who are interested in learning about cochlear implants. They also advocate for the rights of and services for people with hearing loss.

The Foundatin also provides resources. The best means of communication is through email.
