Local doctors and health professionals who devote their time to speak for free on health-related topics in their community. Workshop or seminar can last from 30 minutes to one hour. Some topics available are Peak Performance (to eliminate fatigue, improve performance); Staying Fit While You Sit; Health and Stress; Carpal Tunnel: The Causes and the Cures; Fibromyalgia; Attention Deficit Disorder; Headaches: The Causes and the Cures; and Balancing Hormones Naturally.

Members are natural healthcare professionals who devote their time as motivational and keynote speakers, to deliver educational workshops at no charge on health-related topics in their local communities.
