New Horizons Clinic-Based Services provides outpatient therapeutic services for youth and their families with behavioral health, substance abuse and co-occurring disorders and family issues. Services include:

- behavioral health and substance use evaluations, including court-ordered evaluations;
- individual, family and group therapy;
- case management to link clients with needed community supports;
- collaboration with probation officers, social workers, school staff, other professionals and
- other community resources;
- crisis intervention;
- skill building;
- referrals to behavioral health, substance use and co-occurring disorders residential treatment programs;
- medication evaluation and management;
- discharge planning from psychiatric hospital and residential programs;
- participate on Family Assessment and Planning Teams (FAPT) and provide FAPT
- case management;
- intensive care coordination for youth on probation in FAPT-funded residential
- placements to facilitate a return to the community.
