Personal Foot Care offers complete foot care for infants through senior citizens. Treatment of most foot problems: Corrective foot surgery, diabetic foot care, corns and callouses, ingrown nails, heel pain, corrective foot surgery, podiatric surgery of the foot and ankle, bunions, warts, and gout. Treatment of foot conditions of the elderly, treatment of sports medicine injuries and workman compensation injuries are also services provided.

Medical and surgical foot specialist. Approximately 75% of this practice is devoted to persons age 60 years and older. Dr. Person has hospital admitting privileges at Community Memorial Health Center, Southside Regional Health Center and John Randolph Health Center.
