Page County Sheriff's Office participate in TRIAD by implementing activities designed to reduce the level of criminal victimization as it impacts senior citizens.

The TRIAD program is a cooperative effort between law enforcement and senior citizen agencies designed to prevent crime against the elderly. In recent years, there has been a large increase in crimes against senior citizens nationwide. A large amount of this increase has stemmed from an abundance of scams and other fraudulent schemes. The TRIAD program seeks to provide the education and resources necessary for communities to effectively stop these crimes.

Other key members in the Page County TRIAD program include the Shenandoah Area Agency on Aging, the American Association of Retired Persons (AARP), the Page County Commonwealth's Attorney office, and the Luray, Stanley, and Shenandoah Police Departments.

The meeting is held monthly at the Luray-Page Chamber of Commerce in Luray.
