Clinch Independent Living Services provides four basic core services to persons with disabilities residing in Planning District Two, including Buchanan, Dickenson, Russell and Tazewell counties.

Core services include:

- peer counseling,
- independent living skills training,
- information and referral,
- transition services,
- advocacy.

Other services may include community education, technical assistance, Personal Assistance Services (PAS), recreational activities, equipment loan and more.

Centers for Independent Living, often referred to as "CILs" are non-residential places of action and coalition, where persons with disabilities are empowered and develop the skills necessary to make lifestyle choices. Centers provide services and advocacy to promote the leadership, independence and productivity of people with disabilities. Centers work with both individuals and with the local communities to remove barriers to independence and ensure the equality of persons with disabilities.

Services to the community include disability awareness, technical assistance regarding accessibility and legal issues and general disability information.
