Bon Secours Maryview Medical Center offers a Joint Center. This program is specifically designed for joint replacement patients. From pre-operative education to post-operation care and in home recovery, staff is right with you. The center

provides the latest techniques and equipment including microsurgery, othoroscopic disc surgery and fusion techniques, with the goal to return the patient to normal activities.

Maryview offers a Pre Op Joint Replacement Course that provides an opportunity to meet the health care professionals and to ask questions and to see the equipment you will be using.

Service Area(s)

Portsmouth City
