EYEWATCH was started as a support group for seniors living with low vision. Since then it has evolved into an educational program aimed at prevention and awareness of the many eye diseases that are faced by today's aging adults. EYEWATCH provides seniors and their care givers information on:

- Age related vision disorders
- Services that are available
- The latest medical advances
- Preventative measures to encourage appropriate management of conditions

Call 888-790-2020 or 804-423-2020, extension 3, for information about Eyewatch meeting in your area.
