The Pulaski Free Clinic provides primary medical, nursing, and behavioral health care, including medication and health education. The clinic offers referrals for tests, medical specialists, and surgery.

The clinic serves adults in Pulaski County who are uninsured, who are insured by Medicaid, and who do not have Medicare or private health insurance. Eligibility guidelines include income that does not exceed 300 percent of the current Federal poverty guideline. The clinic also assists patients in accessing the Medication Assistance Programs of various pharmaceutical manufacturers.
