Call for Information

Stepping Stones Regional Community Support Center (RCSC) provides psychological consultation and other psychological services to intellectually disabled individuals.

The Center offers residential services, medical services, health services, social services and food services to individuals with developmental or intellectual disabilities. Full range of professional services are provided to individuals with intellectual disabilities either directly or through contracts to support the habilitation program. Interdisciplinary Team provides evaluation, treatment and training in the areas of Speech/Language, Physical and Occupational therapy, Recreation/leisure, vocational, Audiology, in addition to comprehensive mental health services.

The focus of the program is to promote maximum growth and skill development which will lead to greater independence.
