English

Portsmouth Area Resources Coalition (PARC) provides an intake service for persons who are homeless or at-risk of homelessness. It is a central intake service that directs and refers persons to available services in the City and region. For more information, please call 757-966-21007. PARC may be able to directly assist or provide referrals to families in need of financial assistance for rent and utility bills. Families must have eviction notice or utility cut-off notice.

The federally funded PARC Home Energy Assistance Program (HEAP) may be able to supplement a qualifying household's heating and other utility bill payment by issuing a grant directly to the utility company on behalf of the client. HEAP covers bills for electricity, water, propane, natural gas, wood, oil, kerosene, and other heating fuels.

Service Area(s)

Portsmouth City
