Eastern Henrico FISH offers a program that provides short-term emergency services that require immediate attention. FISH provides emergency food, financial assistance for bills and expenses, and clothing. Clients requesting financial assistance must be able to document extreme financial needs and reside in Eastern Henrico County.

Consideration is given to the nature of the emergency, the ability of the individual to be self-sufficient after assistance, the client's payment history with vendors, and whether or not FISH has assisted the client in the past.

FISH serves Henrico residents east and south of Mechanicsville Turnpike (US 360) including Highland Springs, Varina and Sandston.

Service Area(s)

Henrico County
