The Emergency Service Center consists of several sub-programs to provide interventions when dealing with immediate financial or basic living needs.

Share the Spirit and Adopt a Family Holiday Programs provides food and gifts for the household(s)

Perishable and Non-Perishable and USDA Food Distribution for persons unable to provide food or baby foods for their families

Furniture and Household Distribution for persons who have lost their homes due to fire, hurricane/flood damage or eviction/homelessness.

Professional and Casual Clothing Distribution for persons returning to work, for the homeless in need of a change of clothing or casual/professional attire or for families who are unable to purchase needed items for newborns, or elderly persons who are incontinent.

The above listed items provide the basic needs to individuals and families to meet their immediate needs and/or address their crisis. This help furthers self-sufficient growth.

All of LINK's programs encompass a holistic approach in assessing and providing for the basic needs of each person who comes to the Emergency Service Center.
