G and W Ambulance, Inc offers ambulance and wheelchair transportation to residents of the central Shenandoah Valley.

Ambulance transportation offered ranges from Basic Life Support (BLS) for trips to nursing homes or doctors' offices, to more complex transportation requiring Advanced Cardiac Life Support (ACLS). These complex services can include taking patients to major hospitals for specialized procedures or filling in when a helicopter is not available for advanced inter-facility medical transportation.

In addition, G and W Ambulance, Inc. has a fleet of lift equipped wheel chair vans to provide transportation to those who do not require an ambulance but need additional mobility assistance.
