Southside Training Employment and Placement Services, (STEPS') Workforce Development provides intensive job training and support services to persons with disabilities at an integrated job site for a competitive industry following job development and job placement assistance. Funding sources include the Department of Rehabilitative Services. Transportation services are provided on a short term basis while enrolled in the program.

STEPS is a private, non-profit organization that provides job training and development for individuals with disabilities and TANF recipients which will lead to an employment outcome. These outcomes can range from employment within one of STEPS' facilities to working in an unsubsidized community job.
