The Audiology Department at Metropolitan ENT consists of board-certified audiologists who specialize in the evaluation, diagnosis, treatment, and management of hearing and balance disorders in adults and children.

Audiologists conduct complete diagnostic audiological evaluations, hearing aid evaluations and fittings, vestibular function tests to evaluate dizziness, and auditory evoked potential testing to evaluate neural disorders of hearing.

Also provides custom-fitted listening devices and cell phone custom earmolds. A test of your balance system, as well as testing for tinnitus.
