Albemarle County Police Department participates in Crime Prevention Partner program. The Crime Prevent Partner program serves multi-families communities in the county. Participating property managers have an open line of communication

with the Police Department to deter and detect crime. [Visit the website](#) for a list of active partners.

Other community programs are volunteer programs such as Citizens Police Academy, Explorers Post Program, Neighborhood Watch and other community outreach programs. Residents are encouraged to determine which program is best suited for your particular need and join the Police Department as it strives to make our county one of the safest in Virginia. If interested in becoming a volunteer or interested in our programs, please contact our Community Relations Coordinator at (434) 972-4079.
