The General Relief (GR) Program is an optional local program designed to provide assistance, either maintenance or emergency, which cannot be provided through other means. The GR Program is financed through state and local funding. Components of a local GR Program may include assistance for medical or dental services, burial expenses, assistance for unattached children and interim assistance. The local GR Program is developed by the local department of social services to meet the identified needs of each jurisdiction.

[CommonHelp](#) is the Commonwealth of Virginia's fast and easy way to apply online for many Virginia social services assistance programs. Through a single online site, you can find out what assistance you might be eligible for and submit one application saving you time and effort.
