Orthotic Solutions provides individual assessments and custom orthotic* products for people of all ages and abilities to help them achieve their highest level of independence and function. The company designs, fabricates, and fits orthoses to help support various parts of the body. Properly fitting orthoses offer clients a dramatically improved mobility. Orthoses are used to treat various conditions including congenital deficiencies, injuries resulting from an accident and various disease and disorders.

Serves Northern Virginia and Frederick County, Maryland.

*Orthotic is an orthopedic appliance or apparatus used to support, align, prevent, or correct deformities or to improve the function of movable parts of the body.
