United Spinal Association offers personalized consultations with professional staff knowledgeable in accessibility rights, benefits counseling, adaptive sports and

recreation, and other resources for people with spinal cord injuries and disorders (SCI/D).

The organization provides information about sports and recreation resources, organizations, and equipment both on its website and through the [New Mobility Magazine](#), the consumer-oriented journal it produces. The New Mobility Magazine is available in print and digital form.

Visit [Virginia Wheelchair Resources](#) for wheelchair sports, recreation, and travel.
