Southwest Virginia Children's Advocacy Center (CAC) provides intervention and treatment services to children who have been sexually or severely physically abused. Services are provided in a child-friendly, safe facility and include forensic interviews, mental health treatment, case management, victim advocacy, information and referral, non-offending caregiver support throughout the investigation, prosecution and treatment phase of a case. The center works with members of a multidisciplinary team in providing needed services and case coordination.

Mental health treatment is provided by a Licensed clinical Social Worker. The CAC is an accredited center.
