Community Services of Virginia, Inc. offers in-home residential services that enable families to maintain a family member in their home, thereby preventing or delaying the need for out of the home placement. Services are provided to adults and children with various levels of developmental disabilities. This program offers:

- Private in-home care;
- Support to integrate each consumer into the daily rhythms and routines of life at home and in the community;
- Help with daily living skills and goals;
- Opportunities for leisure activities including hobbies.
