Pro 1 Therapy Services offers aquatic therapy. Aquatic therapy uses water for rehabilitation. Aquatic therapy and Wellness in Water are offered as one-on-one based, not group water aerobics. The physical properties of water make it a highly desirable medium for treating pain and musculo-skeletal injuries.

Individuals who benefit from aquatic therapy are those who have traumatic injuries; chronic pain; bone, joint or muscle disorders; Multiple Sclerosis; arthritis; fibromyalgia; Cerebral Palsy; stroke, sports injuries; orthopedic injuries and connective tissue disease.

Three certified aquatic therapy instructors are on staff.
