The Lifelong Learning Program is offered to individuals with intellectual or developmental disabilities to improve their quality of life. Program activities include self-advocacy classes, literacy programs, life skills classes, field trips, and the Aktion Club.

The Aktion Club is sponsored by the Kiwanis, meets monthly. An Aktion Club is a community-service group for adults living with disabilities. Aktion Club members strive to return to their communities the benefits, help, and caring they have received, as well as develop important living skills in the process.
