Medicaid

,

Community Living Waiver

Languages Spoken

English

The Developmental Services program of Frontier Industries offers vocational, employment, residential, developmental and community integration services to individuals who have intellectual, developmental, emotional, and/or physical disabilities. The program offers opportunities for individuals with severe disabilities to learn and master life skills necessary to achieve independence and to live and/or work in the community of their choice. Skills include achieving personal goals, developing daily living skills, building job skills, improving personal awareness and self-esteem, and practicing social skills.
