Home Care Registry, In-home Companion Services

Call for Information Languages Spoken English

The Fairfax County Department of Family Services, Adult and Aging Division, maintains a registry of individuals who provide a range of in-home companion, personal care, and chore services throughout Fairfax County. The screening of these individuals includes an interview, reference checks, criminal history checks, and a tuberculosis test. It does not include observation of direct caregiving skills. Neither Fairfax County nor SeniorNavigator represents that a person listed on the registry is a suitable companion. It is the sole responsibility of the person seeking to employ a companion to determine their suitability and rate of pay for services.

See the <u>Home Care Registry</u> for a list of companions and helpful information on hiring an in-home companion. Scroll down in the document to see the list of companions.

You may call 703-324-7948 to have a hard copy of the registry mailed to you.
