English

Rooftop of Virginia offers indoor plumbing rehabilitation. Assistance is provided to low to moderate income owner-occupants of substandard housing where indoor plumbing does not exist or where existing water delivery or waste disposal system has failed. Houses may be constructed to provide homes to families that meet their basic human needs.

Applications may be obtained from the Intake Office.

Contact Program Coordinator, Opal Kegley, at (276) 236-7131, extension 229, or by email at okegley@rooftopofvirginia.com for more information.
