At Chesterfield County Department of Mental Health Support Services, Developmental Disability Residential Services provides residential supports to adults with developmental disabilities based on individual needs. The program provides three levels of support:

- Supported living develops support plans for individuals who are living in their own homes based on the individuals' needs and preferences.
- Group homes are staffed 24 hours a day, seven days a week. The homes are three to five bedrooms and are located within various Chesterfield County neighborhoods.
- Cluster programs are supported 24 hours a day, seven days a week. Cluster programs are located at various apartment complexes in Chesterfield County.

These services may include training and supports necessary for individuals to maintain personal care and social skills and complete independent living tasks. Services may include money management, home care, medication management, community access, transportation and improving community living skills.
